***HERE'S YOUR LAID-BACK PARADE EDITOR ZETA TO SAY HELLO...***

No room to mention all the goodies (including not, one, not two but four positively throbbing naughty secretaries) in your latest Parade, so simply do what I do here: unzip yourself, loosen your clothing (maybe discard it altogether), lie back, and unzip this *Parade*.

'You'll be amazed by how your problems melt away (by the way, if you have any *intimate* problems, find out how my bosom chum Nikki can help you on Page 39)... but don't forget, as you savour my latest gorgeous discoveries, that you and I have a date, not just in two weeks' time in *Parade* 68, but also in the flesh, on your own home ground.

'Yes, I'm off on one of my round-Britain tours again to get to know Paraders even better, and below is a reminder of where we can meet, and when.

'Check it now because I might well be on the road heading *your* way even as you read this!'

Love,

Zeta XX

WENDY -
PICTURED
PARADE-STYLE!

When we heard that our fading rivals were *rushing* into print with snaps of superb Mancunian, 18 year old Wendy, Parade couldn't have cared less.
Because we *know* that, when it came to bringing out the talents of this tantalising 37-24-36 teenager, it would take Parade's picturetakers to really deliver the goodies.
So while Parade far prefers to be first with the nudes (and usually is!), when it comes to brand new bombshells like this clothes mannequin who's in danger of becoming too top heavy to fit into designer gowns with those oh-so-firm, still-growing titillating twosome of hers, we know that it takes Britain's most sexperienced men's magazine to do the job properly (after all, we've been showcasing stunners since 1916!)...

And if you want to be *sure* of keeping in close touch with Britain's glamour talent, both newcomers like beautifully bewobblied Wendy, as well as top newspaper knockouts, the best way is to become one of our priority postal subscribers. And that means you avoid getting killed in the rush for every new Parade, too!
To take advantage of Parade's special confidential mail service, flesh-fanciers, simply fill in the coupon in Wendy's wild showcase!

**YOUR AMAZING LETTERS TO PARADE'S HOSTESS ZETA – & EVERY ONE A FREE SUBSCRIPTION WINNER!**

***Zeta, Parade's Hostess, Writes Back To Her Parade Pen Pals:***
**'Thanks for all your lovely lecherous letters to Parade, and please keep 'em coming.**
**Every letter that gets into print in pulsating Parade wins a free year of Parade, rushed by mail to the address you give us.**
**So it's well worth your while letting me know what you think about Parade's qualities – and where you think we go wrong too! And letters about what *you've* been up to are even more welcome.**
**Here's my address for your lusty letters and naughty notes:**
**ZETA/BY THE WRITE, PARADERS/PARADE**
**50 EAGLE WHARF ROAD**
**LONDON N.1/ENGLAND**

My wife wants to have a tattoo done on her bottom, *Parade* – she finds them very sexy – but I'm not at all sure.

She's guaranteed me I can have it every night if I let her have her way. What would you advise?

**Vincent P. Birmingham**

*As you can see from our blue-stockinged stunner here, Vince, discreet tattoos can look very comely (and by the way, you can see more of our brazen brainbox's handiwork in Parade's puzzle on Page 42)... but surely your old lady should be welcoming you to her arms (and everything else) every night tattoo-less, and Zeta's not at all sure her body decoration will work miracles...*

# BY THE WRITE, PARADERS!

Why do you bother with your 'Chesty Challenge' pages when luscious Su Varley would knock your 'Cleavage Queens', Tracey Neve and Debbee Ashby into a cocked hat any day of the week?

**Clive B. Leeds**

*Enough of that cocky talk, Clive, and we're not at all sure Su Varley here measures up to our bra-bursting minimums, when it comes to dethroning our current Cleavage Queens.*

*However, keep an eye on* Parade *to see far more of sensual Su revealing her all – and they'll all be yours free for having got into print here!*

I should imagine the very last thing your readers want to hear about in *Parade* is the peculiarities of the female menstrual cycle, but its relation to sex drive is of key significance, so much that I'm surprised the subject hasn't been broached in men's magazines before.

The simple fact of the matter is that women feel at their randiest from just a few days after the cessation of their periods, to within 2½ weeks of the commencement of the next one.

Personally, if there is less than 2 weeks to go before my period, my attitude to sex varies from "disinterested" at best to "don't want to know" at worst. But during the early days, I'm all but insatiable.

Although I'm 35 years old, I've still (very much) got my looks, and I think nothing of picking up a nice-looking "bit of rough" as and when the opportunity presents itself!

I've even gone with two men at a time, at a sleazy sex party, and the orgasms I experienced were out of this world. However, towards the end of my month...count me out!

**Kay, Merton Park, London, S.W.19**

*And don't forget Mr. Aids too, Kay! Perhaps you'd better keep to your free Parades when you're feeling insatiable!*

## FREE YEAR'S SUBSCRIPTION TO PARADE

For ten years of my life, from 1950 to 1960, I worked as a prostitute in London's West End.

OK, so I'm a bit long in the tooth now and there's no way your readers would fancy me one little bit, but I've got enough true-life stories to fill a book – and a very *dirty* book at that!

Up until the introduction of the Street Offences Act (1960) a girl could "hawk her brawn" openly on the streets, without any of this postcards-in-newsagents-windows nonsense.

The only trouble was, there were so many girls who fancied themselves as big-time brasses, you had to be very good at your job to survive.

But the whole atmosphere of the West End was different in those post-War years. There were none of your raincoat brigade or Amex Card-wielding Yuppies. There was no drugs scene, either, just hoardes of cuntstruck servicemen looking to have their lives brightened-up with a bit of hanky-panky.

The going rate for a full shag was 5 shillings throughout the early Fifties. And, yes, even then we used to insist on rubber johnnies. The dreaded disease in those days was syphilis, a lot of which was brought to these shores by the G.I.'s during the war.

My "patch" was Mear Street, Soho, an alley which joins Wardour Street to Frith Street. I used to collar the jazz musicians on their way up to and from the clubs, and I've had more than a few famous jazz scene cocks up me!

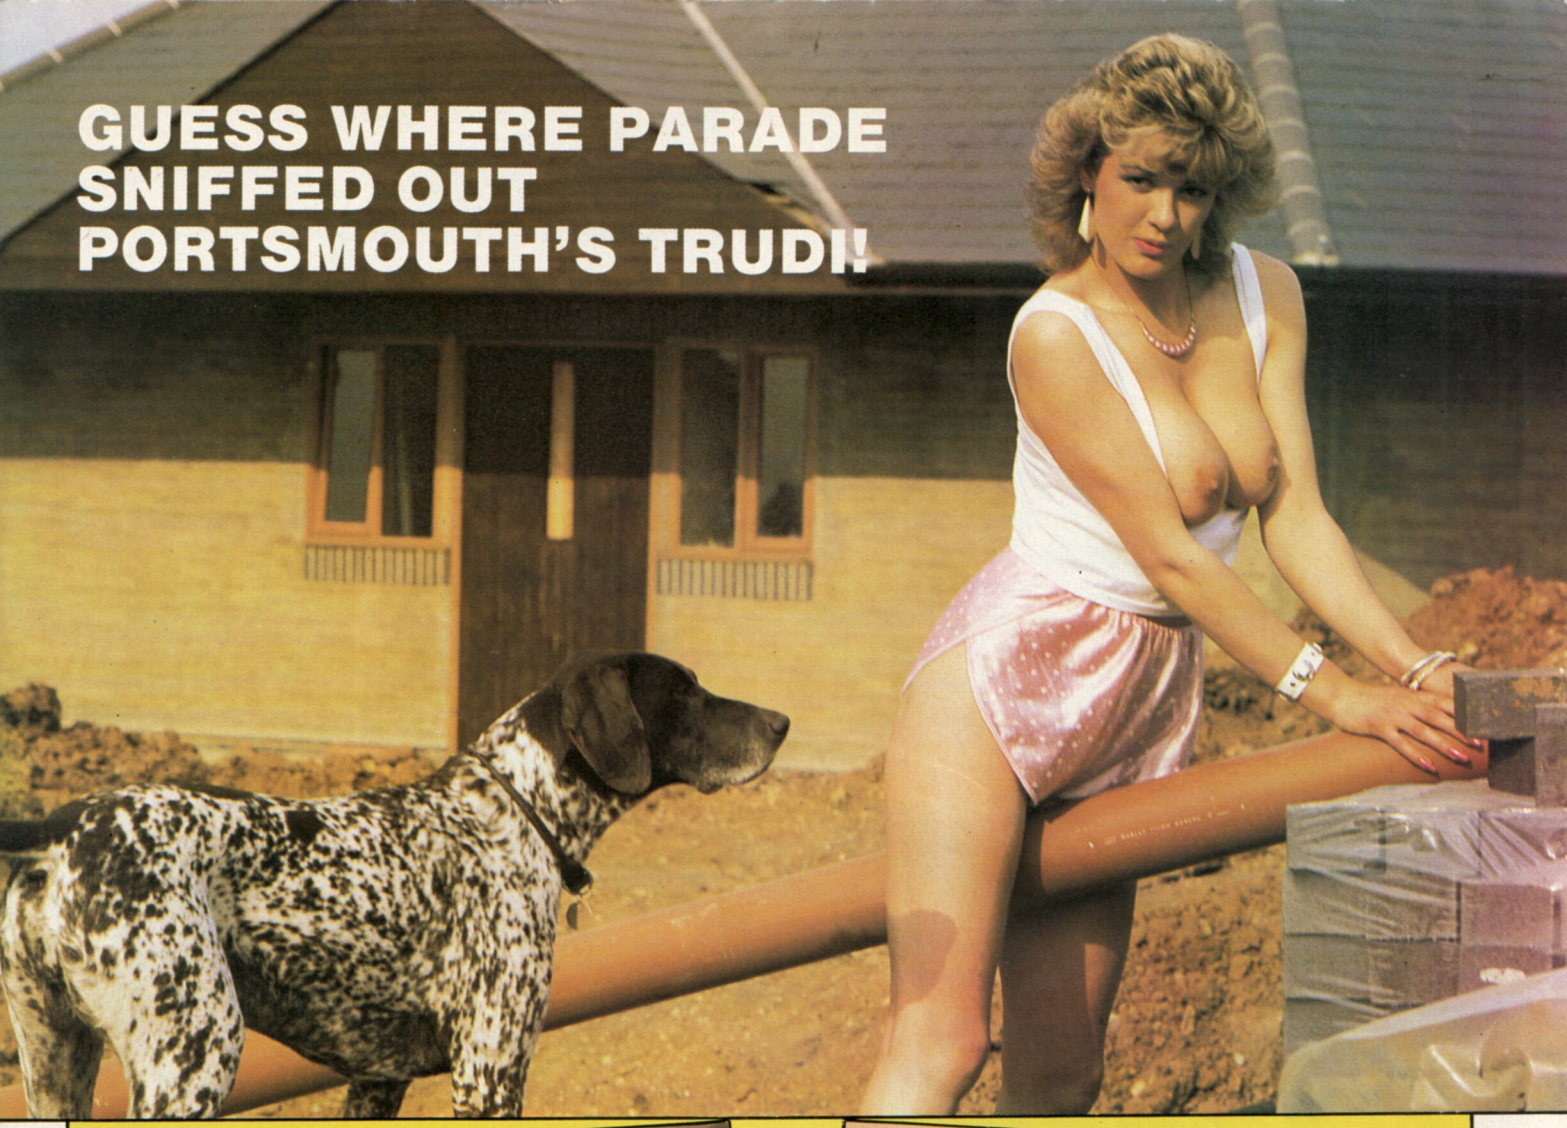
Basically, I offered a three-tier service. For three shillings ("two bob") I'd toss a chap off in the stairwell of my tenement block, just around the corner.

That was always a good earner for me and (b) I'd save on the cost of the rubber (yes, the Fifties were hard times!)

For three shillings and sixpence (3/6d) I'd give a bloke a knee-trembler up against the wall of St. Anne's at the bottom end of Wardour Street, but only if the Law weren't around.

**'For five bob I'd give the gent the full service'**

# GUESS WHERE PARADE SNIFFED OUT PORTSMOUTH'S TRUDI!



# WHAT A SITE!

In these days of equal rights and women's lib, you never now *where* you're going to come across comely talents like Trudi?
In the old days, Paradames would be discovered in amateur beauty contests, or on reception desks in swish offices (sometimes *behind* the desks, too). But nowadays you're just as likely to come across lovelies like 19 year old Trudi driving a compresser or an excavator or bricklaying or, well, you name it, girls do it! ►

So it went without saying that *Parade* pictured Trudi first in her 'natural habitat', revealing what a randy all-round talent she can be, when it comes to construction.
But then we rushed her back to Parade's de luxe boudoir and got rid of that hard hat to show 19 year old Trudi's *other* talents stretched out at their sleek best and not covered in muck!
But at least our cavalcade proves that Portsmouth's Trudi is a girl of many parts, all of them delightful!

TRUDI -
EVEN BETTER
INDOORS!

# SARAH MIGHT HAVE BEEN A NEAR-MISS IN SUNDAY SPORT, BUT SHE SCORES A BULLSEYE WITH PARADERS!

When Paraders saw Portsmouth's 21 year old Betting Shop cashier, Sarah revealing her all in her Parade debut, we got pleas by the thousand to give her pride of place in an upcoming issue of your favourite fortnightly - to make her our *Parade Crowdpuller*, bang in the middle, with your pull-out centre to keep forever.

In the meantime, this pulsating blonde from Purbrook, Hants., had a try for the *Miss Sunday Sport* crown, and scored a near-miss. But that doesn't mean she can't score a bullseye with *Parade*, and here she is, shimmering, silvery and 110% sexy, lying back and enjoying *her* favourite fortnightly read.

Not that she ever misses 32p *Sunday Sport* either, because there are always fantastic *new* competitions for talented flashers like Sarah in saucy new *Sunday Sport* every seven days.

So if *you'd* like to cuddle up to ten topless flashers (at least) in colour every Sunday morning, why not get a taste of this Sabbath blues-breaker, now on sale nationwide!

What's more, it's got lots more lively ingredients for grown-ups too, including the best Agony Aunt in the world in the shape of Nikki (who, by the way, also has a hotline you can dial on 0898 100 051 to hear her dealing with a *new* sex problem every day)...

But now, as they say, back to the show - Sarah's megasexy show, but don't forget to reserve *Sunday Sport* by next weekend if, like most crumpet-mad Paraders, you can't get enough of a good thing, using the special coupon for Paraders nearby!

# PARADE'S BIG PROBLEM IS HAVING TOO MUCH TALENT ON TAP!

Why is it so *many* girls head for *Parade* first, when there are so many other magazines around for men?
Maybe it's because they feel so at home in our horny 100% British pages baring their talents for ordinary fellas who know what a true £1's worth of flesh they get every fortnight from *Parade*.
And here's another trio of tantalisers who'll be showing off their assets solo in upcoming *Parades*, led by lovely Lisa.

They wanted to bare their all for Parade's great *Summer Special* after a mere glance at its 100 pages of sizzling girls, many of them shot in exotic locations.
But, of course, it was too late - they were looking at the printed version (which you might still be able to pick up with a bit of luck at a few newsagents).
But they weren't too late (and nor are you) for our upcoming Parade *Winter* Special which, like our Summer bestseller, will deliver nearly 100 colour-all-the-way pages of frostbite-fighting bonuses from Parade.
And so if you'd like a warm reception from these raunchy flashers, whatever the weather's like outside, use the slip in this cavalcade to make sure your local newsagent gets hold of Parade's Winter warmer for you in good time to fight the chill.
It's sure to warm the heart of your cockles, and could you have a better invitation to come on into Parade's winter orgy than the 'bottoms up' toast from our tasty trio?

# GUESS WHO REALLY DID JUSTICE TO SHONA'S SCOTTISH JUGS?

# IT TOOK ZETA TO BRING OUT

Shona MacFarlane from Glasgow has spread her MacKnockers around quite a bit (those 42 inchers have been well aired in some of our lesser rivals, as mag fans with money to waste know well).
And so when it came to pictorialising those warm, welcoming wobblies for *Parade*, we knew there was only one person who culd get the best out of this top-heavy Clydeside Cleavage Queen...
And that was your Parade Editor Zeta, of course, who always knows a good thing when she sees it (or feels it) and has become quite an artiste with the camera too.
What's more, whopper-laden lovelies like Shona give so much more when Britain's top glamour star is there to coax them lovingly, and bring their titanic talents out, at their boobi-ful best.
So enjoy this sizzling coming-together as Scots-born Zeta gets Shona to bare her bodywork like it's never been bared before, Parade-style.

# THE VERY BEST FROM SCOTS

And note, Parade's moved over our usual mammorable mix of Chesty Challengers this time, to make way for the titillating moment when Shona from North of the Tweed discards her tweeds especially for Paraders.
But as compensation for whopper worshippers who like to wallow in whoppers of all sorts of different shapes, but *not* sizes (all well over 40 inches), we've included a reservation coupon for MEGABOOBS on video - the latest, biggest edition - which brings mammary maniacs an incredible selection of top-heavy British bra-benders in video action - at a discount price for Paraders.
Mail the tear-off slip at the fleshy finale of Shona's showcase, and get your teeth into *Megaboobs* today. There's plenty there to chew over, chest-fiends!

Last Summer my boyfriend packed his bags and left me, *Parade,* and took his cheque book with him, leaving me with little choice than to traipse around the employment agencies, looking for work.

Things were so bad, I even had to sell my car and take the bus to work, and every morning I'd be there at the bus stop outside the pub, immersed in my newspaper, wishing some millionaire would cruise past in his Rolls and whisk me off to a life of indolence in Mustique - wherever that is.

I thought things were bad, but worse was to come. Every morning I stood in the self same spot, waiting for my bus, on one of those old-fashioned, glazed cellar doors.

One sunny Friday morning I heard a noise beneath me, and looked down. There, immediately beneath where I stood, I distinctly saw a little face peering up through a hole caused by a broken paving pane.

Considering I was wearing a short sun dress and no knickers, the mystery cellarman must have had a prize view. God only knows how many mornings I'd been the subject of his sneaky peeping!

Being bored and boyfriend-less, I decided to play along, rather than report him to the publican and make a right fool of myself in the process. So next morning I went pantieless again, but this time I squatted directly over the hole in the pavement.

To passers-by, I was simply taking a rest waiting for the bus, squatting on my haunches reading *The Sun.* But to the cellarman below, I was putting my cunt on offer.

Sure enough, after a minute or two, a little finger was pushed up through the hole, directly into my moist, gaping fanny.

I pulled my skirt down around my knees to conceal these antics from the handful of people who'd joined the queue, and to my intense delight a few more fingers followed suit. It was marvellous, being finger-fucked in such a kinky way, and it got me so excited, that same lunch time I let my boss take me out for a spin in his new BMW and lick my cunt out in the local NCP!

Over the next few days and weeks, my daily hand-fucked from the mystery cellarman became so kinky, I actually managed to come on one or two occasions!

On one particular memorable morning, I glanced down to see the neck of a light ale bottom protruding from the hole, and I eagerly availed my freshly-depilated twat to its lubricated (Vaseline? KY Jelly?) prods.

However, all good things come to an end, as they say, and the following morning I was dismayed to see that the cellar door had been repaired with fresh glass panels. All through work that day I was unable to concentrate on my job, because my mind was in a quandary. Should I go to the pub and look for the cellarman who had, by now, such intimate knowledge of my cunt? Or should I forget the whole thing?

After all, it seemed an odds-on certainty that he would be either ugly, old or fat - or all three!

But when you're lonely and you're not getting regular cock, life can be pretty miserable for a single girl living on her own in London. In other words, I decided to take a chance!

Not long after opening time that same night, I called in at the pub by the bus stop, and walked into the public bar. I took a seat at the bar and ordered a drink. After five or so minutes, a young guy in jeans, not much older than school leaving age, came and sat beside me.

Despite his tender years, he was very good looking; the type of boy whose face a girl loves to sit on and wriggle around!

"I'm the part-timer here," he said in a faltering voice. "I d-don't suppose you know who I am, do you?"

"I know who you are all right, you dirty bugger!" I said, laughing. "And I think you ought to stand me a drink for my trouble!"

Well, of course he was far too young to embark on a "meaningful" relationship with. Nevertheless I took my young cellarman home with me later that night (after getting sloshed on Newcastle Brown), took his pants down, sat on his face, and wanked him off into my mouth.

Like so many young chaps, he only needed to rest for a minute or two before getting another hard-on, so I let him amuse himself fiddling around with my cunt while I sat up in bed watching TV.

Not very romantic, I admit, but at least we had a few night's fun together, before going our separate ways.

Now from the deep south, let's meet sexy secretary Lucy from Cosham, who didn't dare 'do it' on her own home ground (her boss would have burst a blood vessel) and so came to *Parade* to air her 24 year old Taurean talents.
As you can see, she fitted in well with Parade's office routine, and must be in with a chance of the big one (that £2000 Modelling-Contract-&-Cash bonanza)...
